

MATHS MASTERY

This week in maths mastery, we have been looking at 2D and 3D shapes. Here are some photos of the children sorting shapes by their properties and drawing shapes.

GUITAR LESSONS

Hounslow Music Service are offering guitar lessons to children at Oriel Academy starting after half term. Tuition fees are very good value but we need to find out the level of interest before we can confirm costs. If you are interested in guitar lessons for your child please let the school office know by Monday 16 October.

READING

We love Celebration Assembly and reading at Oriel Academy. With this in mind, we are sending a plea to parents to donate any books in good condition to our school library please. Children can give them to their teacher or to Ms Godwin. Thank you.

READING STAR OF THE WEEK

This is Fatima in Elder class. She is this week's reading star as she reads at home every day. We are delighted because reading is the key to academic success.

Well done Fatima!

We suggest that you use your own bike
lock to secure your cycle/scooter.

This cycle and scooter shed is provided for the
convenience of Oriel Academy students only.

You do so at your own risk.

Oriel Academy West London will not accept any liability
for any accidents, damage, or loss however incurred.

SLIME

There is a new trend involving
this product.

Please make sure your child
does **not** bring any onto the
school premises.

Thank you!

SICKNESS AND DIARRHOEA

We have been advised by the Hounslow Borough School Nurse that a Winter vomiting and diarrhoea bug is currently doing its rounds in the local area. Please inform the school if your child presents with these symptoms and keep them at home for 48 hours for the bug to clear. Also, please encourage your child to be extremely vigilant when washing and drying their hands after using the toilet etc. This will go a long way towards helping to contain the bug as much as possible.

PLAYGROUND EQUIPMENT

Please remember that the play equipment in the playground is not for use by the children or their siblings before and after school. There is no adequate supervision for the apparatus at these times and we would appreciate your help in keeping your children safe. Thank you!

HEALTHY EATING

Please remember that Oriel is a nut-free school. Increasingly we are finding children with Nutella spread sandwiches for packed lunch. Please keep this for a home treat only and keep your child's sandwich as healthy as possible. We do have children in the school with severe reactions to nuts so please assist us with keeping our school safe for all.

PARENTS EVENINGS

The Online booking system is now up and running. Please book your own appointments online: <https://www.parents-booking.co.uk/oriel>
