YEAR 2 – ST PAUL'S CATHEDRAL

St Paul's Cathedral is an Anglican Cathedral. It sits on Ludgate Hill at the highest point of the City of London and is a Grade I listed building.

Year 2 had a great trip there is week and two of the children from Chestnut class told us about it.

Milica – "it was fun because we learnt all about the Great Fire of London and the Cathedral!"

Oliver – "we learnt about the Phoenix because the Cathedral is said to have come out of the ashes and the Phoenix is the same!" Both agreed it had been a really fun day!
